

# BID SPECIFICATIONS – CONCRETE LEVELING at 1300 S. 4<sup>th</sup>. St., Crockett TX 75835

**Project Overview:** The project involves leveling concrete slabs to restore structural integrity and eliminate tripping hazards at the City of Crockett Animal Shelter at 1300 S. 4<sup>th</sup>. St., Crockett TX 75835. For inquiries or to see the building, contact John Angerstein (936-544-5156)

## Scope of Work:

### 1. Leveling:

- The City will remove necessary outside concrete and sidewalks to allow for accessing concrete footers and beams.
- Utilize appropriate methods such as slab jacking, mud jacking, or self-leveling compounds to raise and level sunken or uneven concrete slabs.

## Bid Submission Requirements:

- Interested contractors must provide a breakdown of the proposed scope of work, including materials, labor, and any additional services or expenses.
- Contractors should include information about their experience and expertise in concrete slab leveling, along with references from past projects.
- Bids should clearly specify the proposed timeline for project completion, including start date and estimated duration.
- Contractors must provide proof of appropriate licensing and insurance coverage.

## Bid Evaluation Criteria:

- Compliance with the specified scope of work and project requirements.
- Overall cost competitiveness, including both materials and labor.
- Contractor's qualifications, experience, and reputation in concrete slab leveling.
- Proposed timeline and ability to meet project deadlines.
- References and past performance on similar projects.

All bids must be submitted either electronically or in hard copy, to:
