

Annual Budgets & Transparency

The City of Crockett seeks to provide financial transparency and accountability. On this page you will find online documents for the Annual Budget, Annual Financial Report, Debt Service Payments, Hotel Tax Reports, and other documents related to keeping our citizens informed about their local government. You will find these documents posted here on our government transparency page.

The fiscal year of the City of Crockett begins on the first day of October of each year and ends on the 30th day of September in the following year. The fiscal year is established by the [Home Rule Charter](#) and also constitutes the budget and accounting year.

An annual budget proposal is submitted to the City Council by the City Administrator no later than August of each year. After a public hearing, the City Council may revise the proposed budget as deemed necessary and then must adopt the budget with a majority vote prior to September 1st.

The budget provides a complete financial plan for the fiscal year which begins on October 1st and ends the following year on September 30th.
