

Farmer's Market & Food Park

News Release Date

08-15-2023

The Downtown Farmers Market & Food Park is located in the City park across the street from City Hall. The Farmers Market provides residents the opportunity to purchase agriculture, horticultural, homemade, and handmade items that have been grown, produced or processed within a 90-mile radius of the market.

The park's official physical address is 201 North 5th Street, and the registered vendors set up at the Northwest corner of the park at the intersection of North 4th Street and Milam Ave. Currently, there are spaces for three registered mobile food units and eight other registered vendors.

Operating hours are from sunrise to sunset every day of the year, except for the Saturday before Thanksgiving. That Saturday is the annual "Christmas in Crockett", and the Crockett Area Chamber of Commerce establishes operating hours and coordinates booth rentals for that Saturday.
